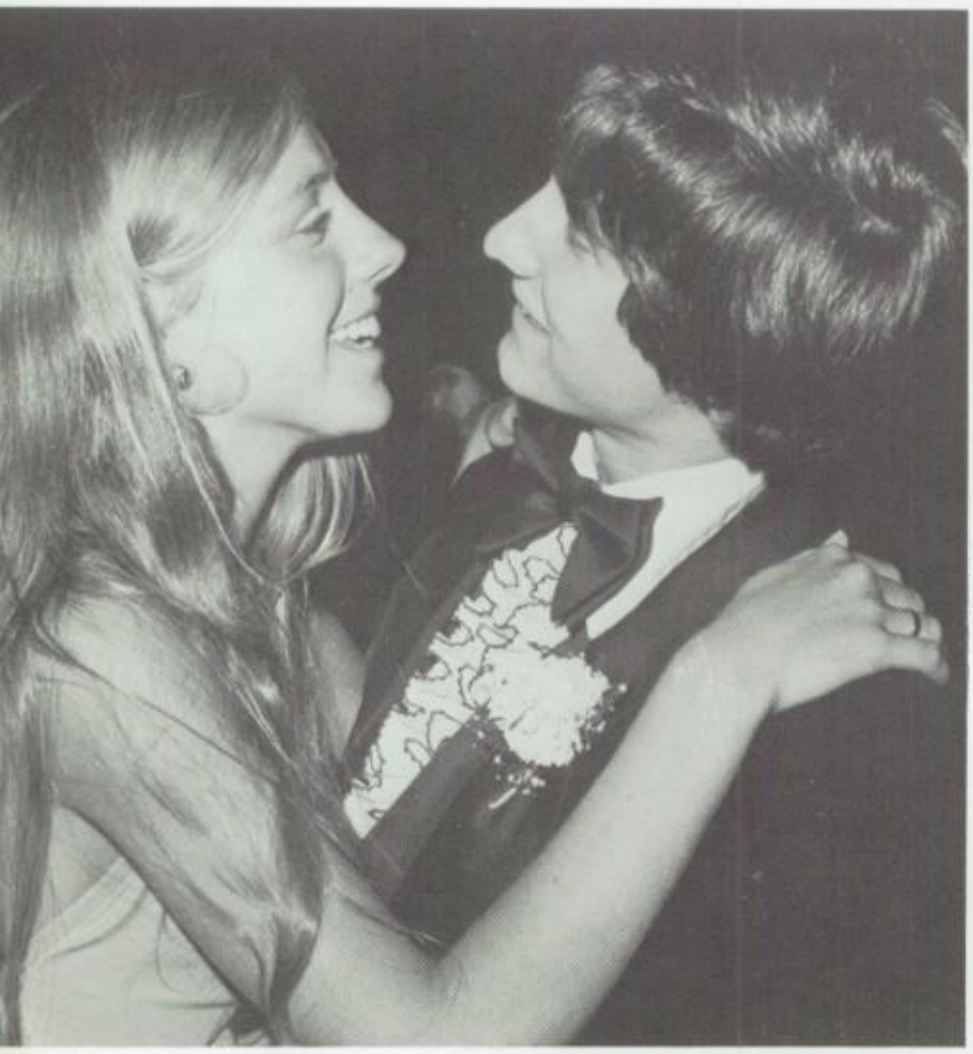
Prom '77



Was this evergreen?

The theme of the prom.

Too bad not many people came.

. . . and ageless.

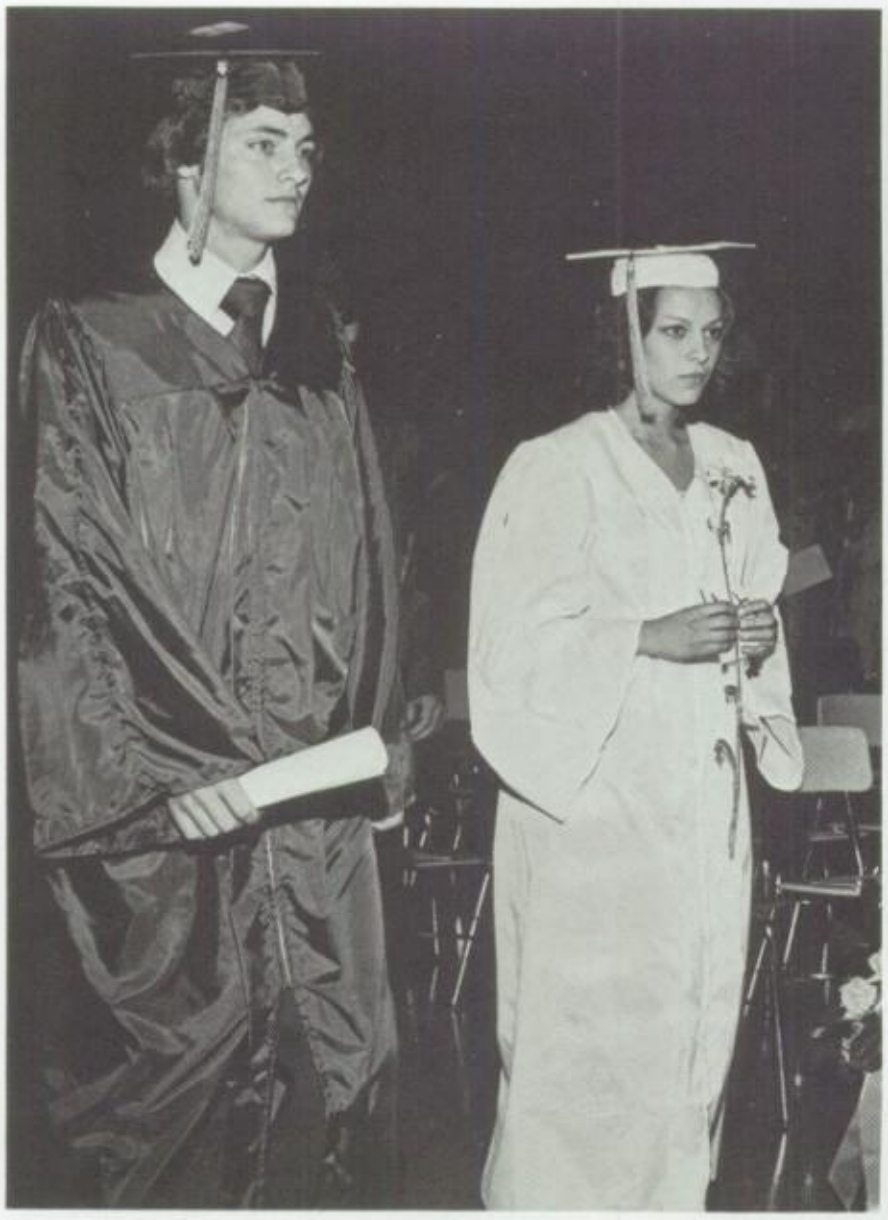
On a warm night when love was ageless.

Former Queen Karen Kretman and Rich Hagmeyer.

The crown was passed from Karen to Elli.

The new queen was Elli Digrindakis.

Stacey and Mark enjoy some of the food.



Only 45 more minutes!

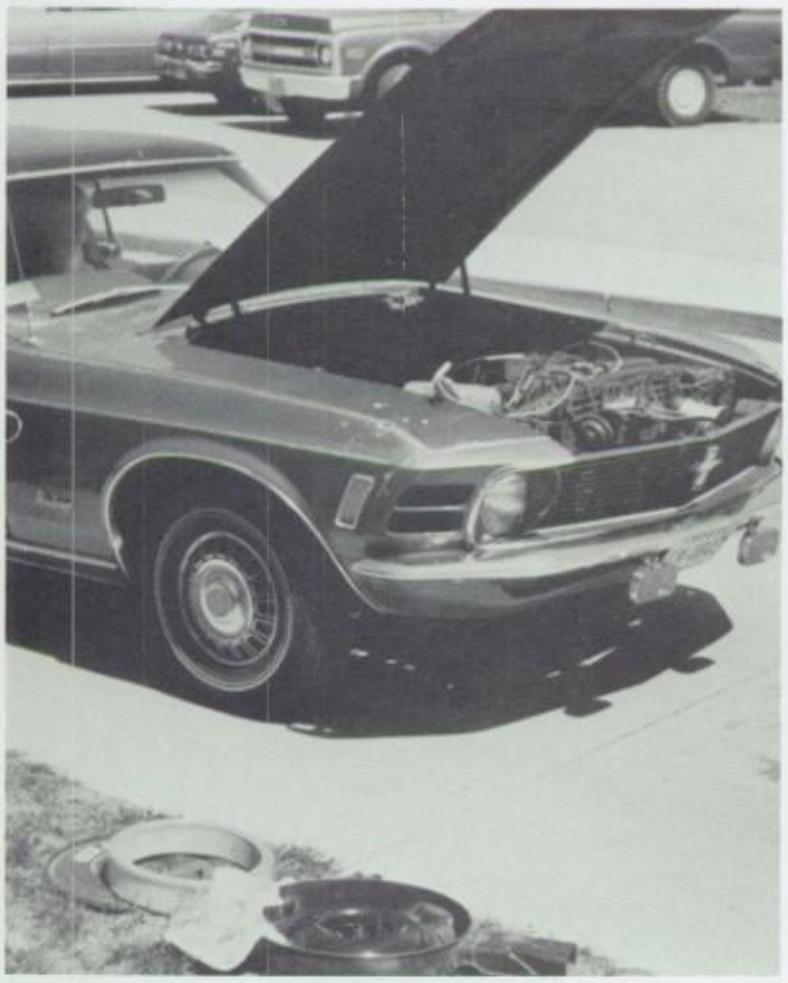
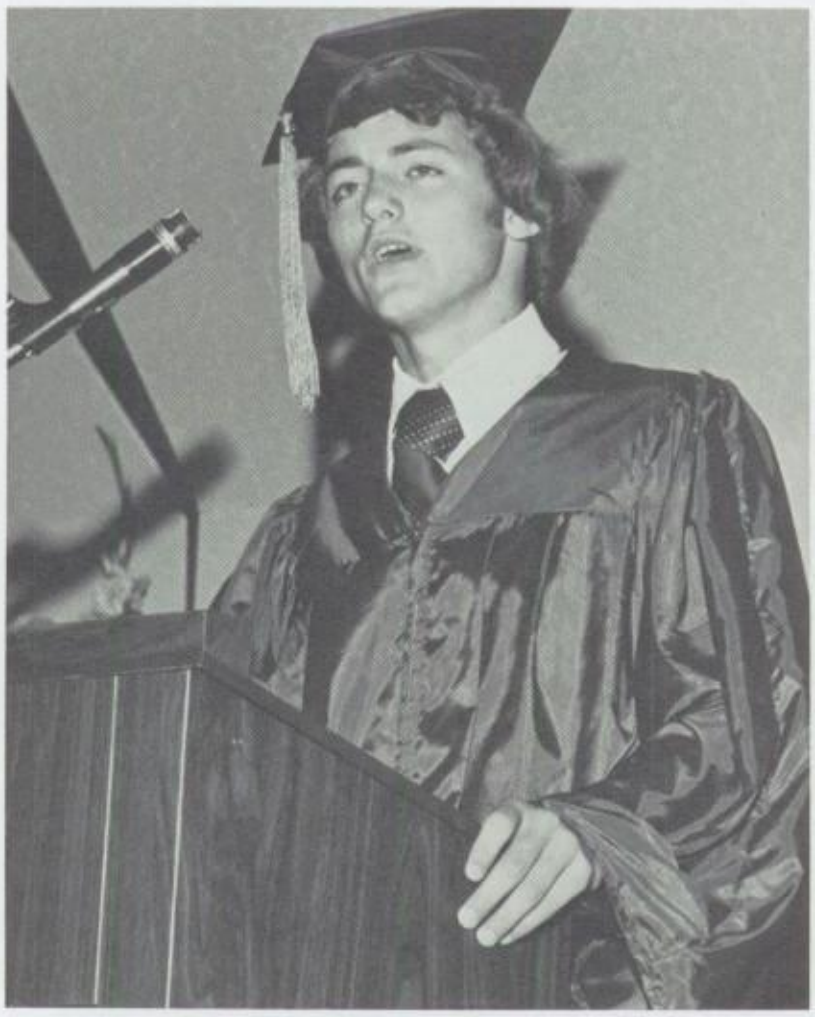
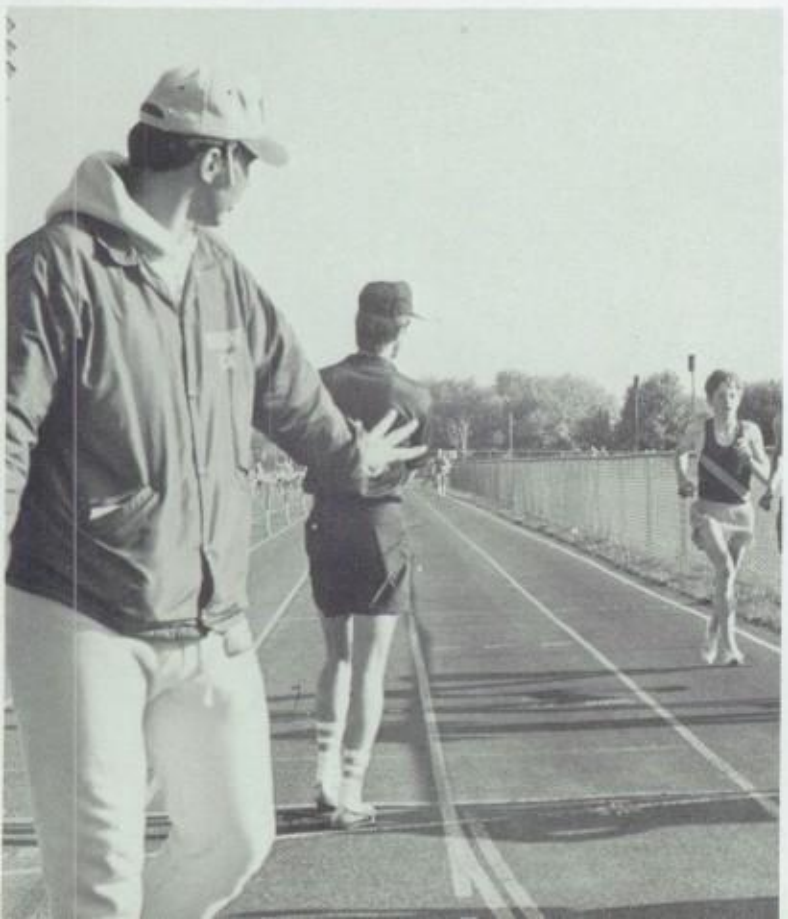
SCHOOL BUS







Boys' Baseball

North's Varsity Baseball team was knocked out of state competition by Naperville Central. Brian White and Andy Harrison were leaders on the team with Steve Hoffman, Greg Muir, Mike Goetz, and Dave Filliben all having had a good season pitching.

Track

The Naperville North boys' outdoor track team placed seventh in the DVC Championship. Three Huskies qualified for the state meet. Ron Byland, Dave Gleed and Steve Pribramsky went to state in the mile run, high jump and discus respectively.

Girls' Softball

The Girl's Softball team took second place in the DVC this year with a 6-1 conference and 8-4 overall record. The girls lost the Sub-Regional game to Naperville Central, 18-19, on a run made by Central in the 7th inning. Teri McClure, 1977 graduate, was named to the all-conference team.

Boys' Tennis

The 1977 Varsity Tennis team finished the season as DuPage Valley Conference Champions with a 7-0 conference record. Ron Kowal, Owen Zebrun, Mark Anderson, and Rick Hopper were conference champions at their respective levels of competition. The Huskies were led to a 13th place finish in the state tournament by Ron Kowal, Owen Zebrun, and Mike West.

Graduation

Hot, humid, and hectic was the setting for Naperville North's first graduation.

The fieldhouse was transformed by the magic of flowers and orange and blue bunting to make a beautiful setting for the commencement ceremony.

As parents, relatives, and friends braved extreme humidity and heat, the North band provided cool music. The seniors were very cool as they dressed in cap and gown in the air conditioned auditorium. They proceded through North for the last time toward the field house. **Pomp and Circumstance** sounded and Jim Pizzo and Katie Baumel, junior ushers, lead the procession of administration and graduates.

Speeches by Dr. Fields, Mr. Coleman, and seniors Peg Feeney and Rick Hooper were the main feature of the program. Mark Story, senior class president, presented to Mr. Coleman a gift from the senior class of a seal of the school to be laid in the foyer of the auditorium.

Dr. Fields with the help of school board president, Mr. Bursch, distributed the diplomas. As the last senior crossed the stage and flipped his tassle, the class threw their caps signaling the completion of four years of high school.

The sad farewells were said in the large cafeteria, diplomas were found, and North's "First Class" went out into the world of jobs, military service, marriage, and college.

Spring Dance

The '77 Spring dance, We've Only Just Begun, seemed more like the Winter dance. The wind blew with such fierceness that the beautiful, young ladies and the handsome, young gentlemen were all ruffled by the time they made it to the door.

Couples gathered around wishing wells and crepe paper arches to pass the time away. As music rattled the rafters, couples danced the evening away and then headed in all directions for more conversation and dinner.

Prom '77

The '77 Prom — Love . . ., Ageless . . ., and Evergreen was the last harrah for North's 'First Class', sponsored by the Junior Class. The Junior Class picked Country Lakes Country Club as the sight for the first off campus extravaganza.

A beautiful, warm night brought many couples to the club for a gracious dinner and what was supposed to be a fine band for the dance that followed. However, the band made a late arrival and played for only an hour. Most of the disgruntled couples were very patient and managed to salvage some joy from their evening with moonlight walks.

Fall

The Diary of

People who have a religion should be glad, for not everyone has the gift of believing in heavenly things. You don't necessarily even have to be a afraid of punishment after death; hell and heaven are things that a lot of people can't accept, but still a religion, it doesn't matter which, keeps a person on the right path. It isn't the fear of God but the upholding of one's honor and conscience.

Cross Country

The Boys' Cross Country Team finished their season by placing tenth of eighteen teams in the district meet. The Huskies finished third in the DVC meet ending up in a second place tie overall with a 9-2 record.

Soccer

The Varsity Soccer team finished their first season with a 2-10-3 record. Their only conference win came against Naperville Central in the last match of the season. A crowd of over 500 saw the Huskies defeat the Redskins 2-1, bringing their conference record to 1-5-1.

Football

The Huskies finished the year with a 3-6 overall and 3-4 record in conference. The Huskies had what had to be called a successful year by defeating Wheaton North, who at the time was ranked 8th in state, and defeating West Chicago for our first homecoming win. The Huskies also shut down the cross town rivals of Naperville Central with a 14-8 victory.

Boys' Golf

The NNHS Boys' Golf Team ended another successful season by winning the DuPage Valley Conference Golf Tournament and placing third overall in conference with a record of 10-3-1.

The varsity squad also won the Lake Park Invitational, tied for second in the Redskin Best Ball Tournament and senior Steve Hoffman participated in the state meet.

Homecoming

This year's Homecoming "The Wizard of Oz", was highlighted by North's first Homecoming Victory. Over 500 people danced to the music of "Arme and Hammer." The whole week was a perfect example of North's excellent school spirit.

Girls' Volleyball

The NNHS Girl's Volleyball team spiked their way to second in conference for the second consecutive year by winning 16 out of 24 games. Four players — more than any other school — made All Conference: Stephanie Hawbecker received the All-Conference Award, Janet Arneson received the Conference Server Award, Sue Babyar earned the Conference Spiker Award, and Sue Shultz received the Conference Setter Award.

Girls' Golf

The first season for the girls' golf team proved to be successful. The Huskies finished the year with a 10-6 record, giving them a third place finish in the district behind Naperville Central and Oak Lawn. The only girl to qualify for state was Lynne Patterson.

Girls' Tennis

The 1977 Girls' Varsity Tennis team placed 6th in the DVC meet. Alice Wood and Karen Mountcastle placed 2nd in the first doubles. Kelli Smith and Cheri Clark also placed 2nd, this time in 2nd doubles. The team also placed 6th in the district meet. The girls shut out East Aurora and Glenbard North and ended the season with a 5-7 record.

The setting for this year's musical is the "Showboat", the Cotton Blossom. This great Showboat was cruising up and down the Mississippi at the turn of the century.

Captain Andy and his wife are in charge of the boat, along with their daughter, Magnolia. The Star, Julie LaVerne, has to leave when it is discovered that she is really half Negro, and 'illegally' married to a white man in the eyes of Southern justice.

Magnolia stays and takes over Julie's roles along with a new romantic lead named Gaylord Ravenal. In truth he is a river boat gambler, but he and Magnolia are wed. Frank and Ellie are a successful vaudeville team and come to Magnolia's aid as Gaylord is about to leave them. Frank takes Magnolia to an audition where Julie had been a singer. Julie hears the audition and leaves so Magnolia will be hired.

Captain Andy is there to hear the debut of his theatrical star. He returns to the Cotton Blossom and arranges for a reunion of the one big happy family.

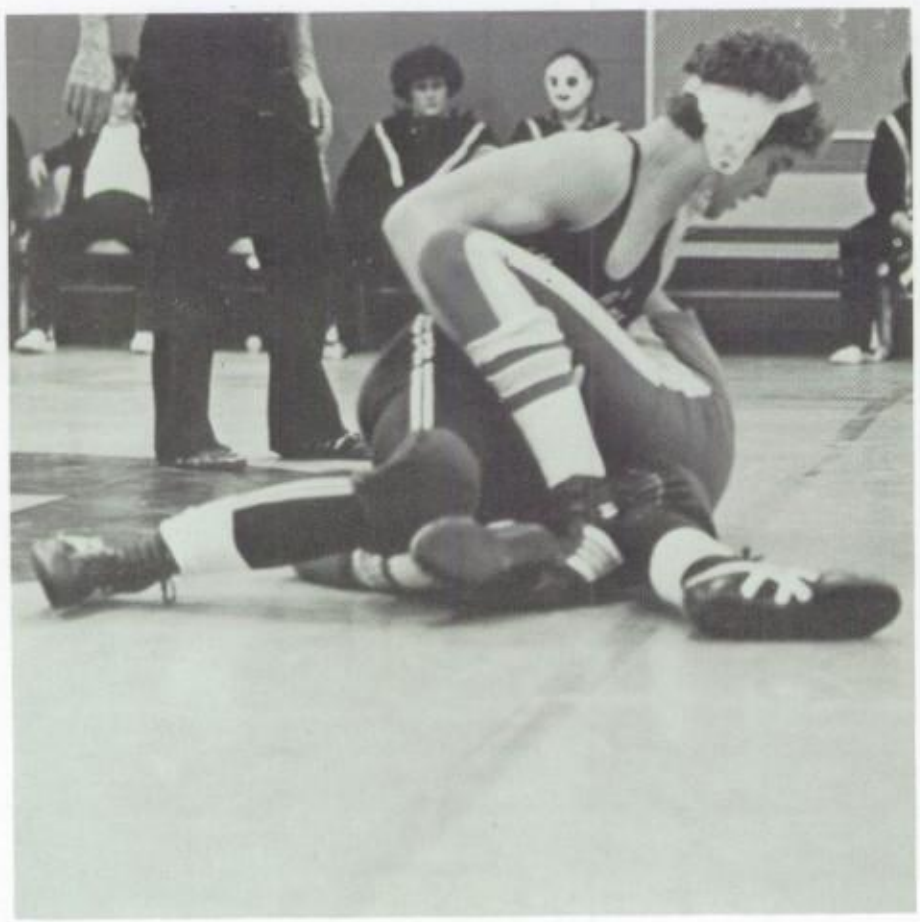
Girls' Swimming

Varsity Girls' Swimmers had a good season in which hope for the future was built said Miss Kathi Mumford, coach. Coach Mumford was most impressed with the third place finish in the district by Linda Boddy in diving and Janice Boe in the backstroke. Linda broke a number of North Varsity diving records during the year and went on from the district to place 28th in the State Meet.

Let's make a BIG splash next year girls!

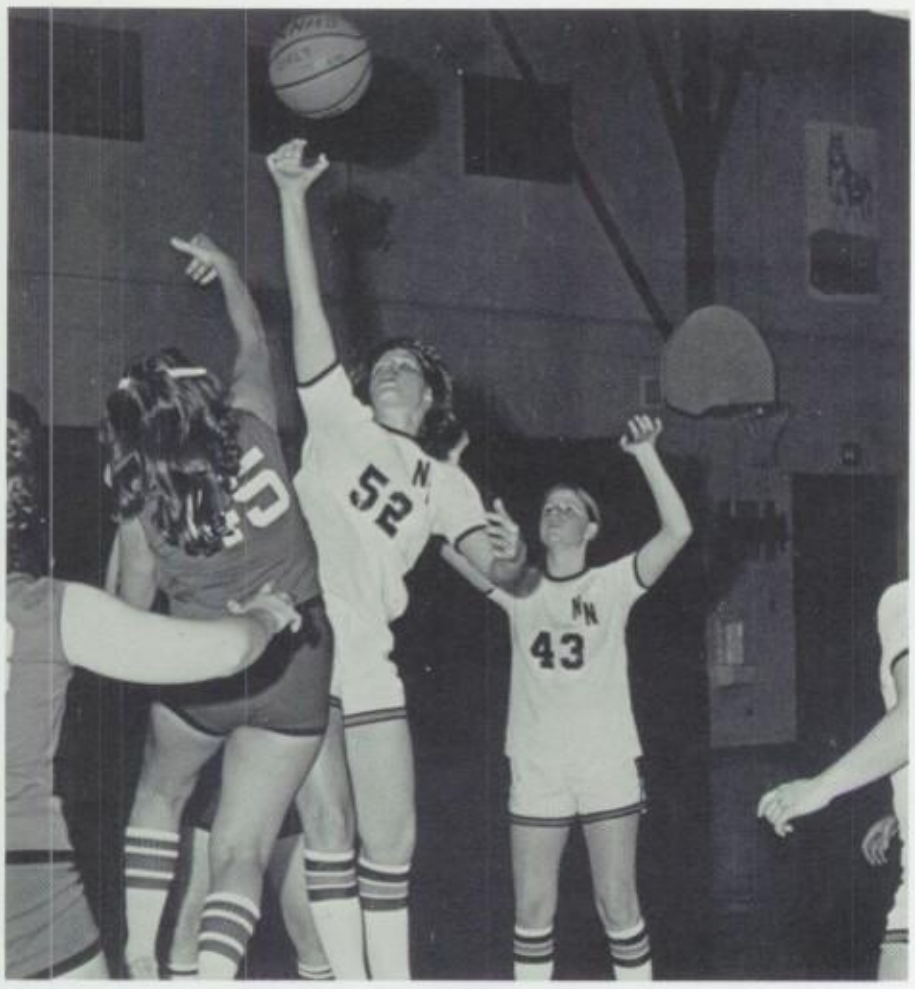
Christmas Dance

The Christmas Dance, sponsored by the Senior Class, was said to be the best yet. The band "Show Biz" was so good that the dancers demanded an encore. Even though they ran short of cookies, both students and chaparones had a good time.



Wrestling

The Wrestling Team had its first varsity conference champion this year. Team Captain Scott Tannenbaum, was champion in the 138 lb weight class. Junior Tom Delaney placed second in the 167 lb class. It was the first time that two Huskies made it to conference finals. The team ended up with a 2-5 conference and 8-9 overall record.



Girls' Basketball

March 15, 1978 brought an end to the basketball season for North's girls' team. The team had been bounced around often in competition this year, but every player showed real give-it-all-you-got play for the whole year.

The girls gained experience at the varsity level that should give them a good chance to rebound as conference champs next year. One of the biggest moments of the season was their first victory in regional play against Aurora East.

Boys' Basketball

The boys' varsity cagers ended the season with a final record of 8-16 overall and 5-9 in the DuPage Valley Conference. It appears that next year will definitely be "the year of the Husky".

Boys' Gymnastics

The boys' Gymnastics Team struggled through another hard season. Their building program was set back another year with the loss of six seniors. Though the team took last place in the DVC, a strong sophomore team holds promise for the year ahead. Junior Tom Bode qualified for the sectional meet on pommel horse.

AFS

AFS: Row 1: Lori Argo (USA to Australia), Suzi Freyth (Germany to USA), Janet Brown. **Row 2:** Jane Albrecht, Christy Smith, Angela Crabtree, Miss Sue Wolfe (advisor).

To go to the USA as an AFS student was probably the most important and also the best decision I ever made in my whole life. Until now I have learned a lot about American culture, lifestyle, and I've seen things that I didn't even dream of before. I have met many different kind of people, some I liked more some I like less. Most of all I have found a lot of nice acquaintances and even very good friends in my host family and a few in school. Although I wasn't always happy, I thank you all for letting me as a totally new person in you circle of friendship and for sharing so many things with me that sometimes make me sad, but usually very happy.

After all my experiences I am very proud for having been a real member of "Naperville North High School."

Sincerely,
Suzanne Freyth

Pep and Jazz Bands

Spanish Club

There were few siestas under the big sombrero for the Spanish Club. They entered a float in the Homecoming Parade, participated in the International Banquet, and competed in the Trilingual volleyball match. The money that they made during the year went to an area Latino organization.

German Club

The NNHS Gerrnan Club had a busy year. They entered a float in the Homecoming Parade, held their annual Oktoberfest Party, wrote to pen pals in foreign countries, participated in the International Banquet, competed in the tri-lingual volleyball match, went Christmas caroling (auf Deutsch), and had a Christmas party. Yes sir, really busy!

Student Government

The NNSG (Naperville North Student Government) had a busy year sponsoring activities and working on student problems or concerns. The activities sponsored included the "Gong Show", St. Valentine's Day flower sale, Navy Rock Band, and the Spring Dance. To better their outlook on North's problems, NNSG participated in a student exchange with East Aurora High School.

Pom Pons

The Starlettes of Naperville North were definitely a high class organization. The total school year at football games, at pep rallies, or at basketball games was a little brighter because the Pom Pon squad had performed.

The girls worked the whole previous summer at camps and at school to prepare their fantastic routines. The work paid off by the end of the year as the squad not only won the Class B First Place Award, but also the overall championship as well. Next year if the girls can do as well, then they will be able to perform at the half time show at the State Basketball Championship Game.

Congratulations and good luck next year!

Forensics

1977-78 was an exciting year for the NNHS Forensics Team. The team participated in 6 tournaments and was a co-host with Wheaton-Warrenville for a spectacular event that involved 25 schools and 600 participants. In addition, Mary Brahler, Steve DeLessio, and Daphne Hall qualified for Sectional competition.

DECA

1977-78 was a year of victory for the Naperville North chapter of the Distributive Education Clubs of America. The group did especially well when over 1000 students from all over the state went to compete in Springfield. Seniors Andrea Ianno and Linda Strachan qualified as second year Ambassadors, and Strachan received a $250 scholarship to the school of her choice. In addition, Greg Muir competed in the National conference meet in Washington, D.C.

The North Star

The North Star worked very hard this year to keep abreast of all the happenings around the school. Included were coverage of all sports events and editorials on various topics.
The biggest reward given the North Star was the "International First Place" rating from 1977 Quill and Scroll Newsmedia Evaluation.

Bands

Naperville North's Bands were super as usual this year. The Marching Band's many performances included: five football games, four parades, and the Marching Band Extravaganza.

The Jazz Band participated in concerts at school. The Brass Ensemble played at Christmas programs in the community. The Symphonic and Concert Bands played in three concerts, one of which included the Pop Concert with guest soloist Paul Smoker. The Pep Band livened up basketball games and gymnastic meets.

In May, the bands traveled to St. Louis to perform. A good time was had by all on this trip!

North Administration

Dr. Bruce Cameron
Principal

Dr. Bruce Cameron came to North in late summer 1977 from Lockport, Illinois. It did not take him long to put the Cameron stamp on certain procedures in the school. Dr. Cameron was very impressed with the student body, the faculty, and the enthusiasm that was shown by all. He discovered, very early, the cross town rivalry between North and Central at our first football game. Dr. Cameron was very happy with the year and is looking forward to an even better year next year.

Mr. Jeske served as associate principal. He administered the Pupil Personnel Service area. Clubs and activities also use his many and varied ideas to help them survive the year.

Registration and course offerings keep Mr. Kesman's time occupied a good part of the year. He must insure that all students get what they want and that the computer knows about it. Mr. Kesman also is responsible for helping coordinate the budget.

Summer break is rapidly drawing near and with it another school year ends and so it is appropriate that this book also comes to a close.

It has been a year of growth and learning filled with rich experiences and rewards. And it has been from within these walls that those experiences have been generated. But soon this building will stand desolate until Fall, when once again it will gasp with the fresh air and life that the students and faculty bring.

However, some of us won't be returning to these friendly walls and familiar faces; to these seniors the best of wishes are extended and it hoped that this book will serve as a rememberance of the time spent at North.

For some an era has reached its duration; for all a phase of life has gone, never to return. Some have reached their destinations; all have set their goals. All have learned.
